# Centenary College

Now in its 24th year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

### 1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

### 1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

### 1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

### 1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

### 1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

### 1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

### 1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

### 1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

### 1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

### 1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

### 1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

### 1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

### 1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

### 1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

### 1999-00

Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

### 2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

### 2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

### 2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

### 2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

### 2004-05

Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts' baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU's Mable Kunihira garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

# SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. About 400,000 people reside in the metropolitan Shreveport-Bossier area.

Shreveport is considered the geographical, cultural, and economic center of the region know as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual college football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

The Independence Bowl is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey (Bossier-Shreveport Mudbugs) and arena football (Bossier-Shreveport Battlewings), as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area, from hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail.

Recently, Bossier City opened The Louisiana Boardwalk, a multi-million dollar project alongside the Red River that boasts a large collection of shops, restaurants, entertainment, and nightlife. No matter what you are looking for, the Shreveport-Bossier area has plenty to offer for everyone.

## CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.

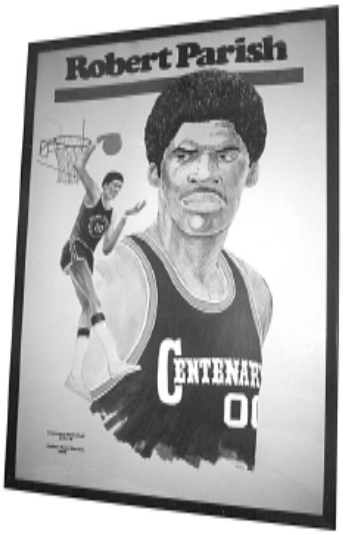
**Hal Sutton '81**

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted nationally ranked teams such as Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for the Mid-Con Tournament in two of the three seasons since joining the league in 2003.



**Robert Parish '76**

The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

# Ladies Basketball

"HOME OF THE LADIES"

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary basketball teams, the Gold Dome is also the home of the Centenary Ladies volleyball and gymnastics teams.

The multi-purpose facility, constructed at a cost of $1.3 million plus equipment, has a seating capacity of 3,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic department, a classroom, a hospitality area, and seven large carpeted dressing rooms.

Like the building itself, the floor area is multi-purpose. A portable hardwood floor was inserted in 1989 for basketball. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts.

In the fall of 2002, the Wilhite Media Room was completed inside the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.

The Sports Fitness Center is also utilized by the athletic department. The $10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and with their team. Other features of the Fitness Center include: hot tubs and saunas, a pool, dance studios, dressing rooms, and courts for basketball and raquetball.

# Centenary College

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

**MAGALE LIBRARY**

### Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

### Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

### Faculty

More than 90 percent of Centenary's faculty hold the highest degree in their disciplines. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

### Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

**DR. KENNETH L. SCHWAB**
**President**

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student-athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over $100 million for the college. This amount exceeded the initial goal by over $30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student-athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempten, Carlton, and Christopher) played select soccer throughout their school years.

**TAYLOR MOORE**
**Director of Athletics**

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of Health and Exercise Science after serving as Athletics Director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001, he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore took over an athletics division that began play in the Mid-Continent Conference in the fall of 2003 after four years of playing as an independent school unaffiliated with a conference. His experience and leadership will ensure that the Centenary athletics program will continue to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I felt like I was coming home when I accepted this position. I have great respect for the College and its role in Division I competition."

Since becoming Director of Athletics, Moore has improved several facets of the overall program. He has led the charge in reinventing the booster club and has transformed it into the healthy organization it is today, known as the C Club. Under his guidance, renovations to the Mayo Soccer Complex have taken place and other facilities improvements are under way. In addition, supplemental staff such as assistant coaches and a director of marketing and promotions position have been created.

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation and the Committee of One Hundred. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

Moore knows the Centenary athletics department very well, having served as the head baseball coach for the Gents during the 1974 and 1975 seasons.

CENTENARY LADIES BASKETBALL

# Ladies Basketball

**Keeley Pratt**
**Danceline Sponsor**

Keeley Pratt once again leads Centenary's performance group during the 2005-06 basketball season. Pratt is the sponsor of the Leading Ladies danceline after serving as a captain and member of the group for two years until graduating from Centenary in 2001. The Leading Ladies perform at all home basketball games and travel to the Mid-Continent Conference Tournament in March every year.

Pratt has worked hard to improve both the enjoyment shared by the crowd through quality halftime performances and the enjoyment of Leading Ladies members themselves through various team-building projects. For example, for the past two summers the squad has taken part in a summer camp provided by Dallas-area choreographer Kendra Kelley. The Ladies learned several new routines to be unveiled this season and received valuable instruction on technique.

As sponsor, Pratt hopes to continue the long-standing tradition that is the Centenary Danceline by getting alumni more involved. By sharing their knowledge and experience with current members, she seeks to bring the Leading Ladies family together to ensure its future success.

The danceline is well appreciated by the basketball teams and the student body for the hours and hard work put into training in order to provide an exceptional atmosphere in the Gold Dome during games. The Leading Ladies truly represent what a spirit group is all about as the members receive no scholarships for their time and effort. They simply enjoy performing and cheering for the school they love, Centenary College.

# Centenary College

One overlooked part of the Centenary basketball experience is the gameday crew. Centenary Athletics prides itself on the quality, accuracy, and professionalism of all its event staff. During events, Centenary abides by the theory that all non-competing workers must maintain a detatched, unbiased demeaner to better facilitate the games and present a sense of neutrality in timekeeping, scoring, and statistics.

Returning for his 25 season as the Public Address Announcer for Ladies and Gents Basketball is Dennis Boddie. A Centenary graduate himself, Boddie began first began working PA for the Maroon and White in the 1980-81 season. With one of the most recognizable voices in the Shreveport-Bossier area, Boddie can be heard on various radio stations in the area as well as at Bossier-Shreveport Mudbugs hockey games and Shreveport Sports baseball games.

Along with Sports Information Director David Pratt and Assistant Sports Information Director Jeff Messman, both of who oversee and direct all gameday operations, Centenary basketball returns the nucleus of their home event staff. Running the game clock is the familiar face of Glenn Evans, another Centenary alum, current assistant women's soccer coach, and Director of Academic Support. Returning as official scorekeeper is Mary Sue Rix, Centenary's Director of Financial Aid. Manning the shot clock for another season is Brian Hazelwood, , the all-time leading scorer in Mississippi State football history, the current kicker for the Bossier-Shreveport Battlewings, and the husband of Centenary volleyball coach Jenny Hazelwood. Working the scoreboard in the Gold Dome is the rookie of the group, assistant volleyball coach Teri Fry.

Working statistics along with Messman and Pratt are Trey Bergeret and Alison McNulty. Bergeret is in his second season helping Centenary, with extensive experience at Houston and Southern Miss with basketball and football statistics. McNulty, the current assistant softball coach at Centenary, honed her stat calling skills as an undergrad at Furman.

**ELIZABETH WAMSLEY**
**Head Coach**

Elizabeth Wamsley enters her second season as the head coach of the Ladies after taking the helm at Centenary prior to the 2004-05 season. She had previously served as the first assistant during the 2003-04 campaign.

Only the fourth head coach in the young history of the Ladies program, Wamsley is well on her way to establishing Centenary Ladies basketball into a competitive, winning program.

"Centenary College is an institution that prides itself on tradition," said Wamsley. "The Ladies basketball program is progressively becoming another part of that proud legacy. With the hard work and dedication that our players give to this team and this school, there is no doubt that the reputation of Centenary Ladies basketball will be that of a winner, both on and off the court."

Wamsley has participated in the NCAA Women's Coaches Academy, a non-sport specific coaching development clinic specifically designed for women coaches.The Academy provides skills training for coaches focusing on increasing individual effectiveness in being more efficient, productive, resourceful, and successful by learning advanced skills and strategies that directly affect both personal and team success.

Prior to coming to Centenary, Coach Wamsley coached for several years in the Alcorn Central Schools system in Mississippi. In addition to her coaching duties, she was also the strength coordinator.

Wamsley had also had a very successful run as a co-coach for several AAU teams. Her 15 & Under, 16 & Under, and 17 & Under girls squads have all captured Mississippi state championships. She scouted and recruited the most elite players in Northern Mississippi to play under her leadership. She also co-coached the 14 & Under team in 2002 and led her NMB Red 16 & Under team to a fourth place finish in the National Shootout in Dallas.

Coach Wamsley enjoyed an extraordinary collegiate playing career during her days at Mississippi State University. She earned four letters in as many years for the Bulldogs and helped the team to three postseason appearances (WNIT in 1998 and NCAA Tournament in 1999 and 2000).

In addition to contributing to the first-ever postseason victory at MSU, Wamsley was named Academic All-SEC in 1998, 1999, and 2000. In 1999, she was the recipient of the Community Service Award and logged more than 200 hours of community service during her playing career. She participated in programs involving the United Way, Habitat For Humanity, elementary reading programs, and other various community organizations.

Coach Wamsley earned a Bachelor of Science degree in Business Administration with specific international and marketing emphases from Mississippi State in 2001. She is the proud mother of newborn son Jackson Alexander Wamsley, born on September 21, 2005.

**Jason Keene**
***Assistant Coach***

Jason Keene enters his first season as an assistant coach at Centenary, bringing over ten years of successful coaching experience from the high school and junior college level.

Keene began his coaching career at Chipola Junior College with the men's program in 1993 under current Middle Tennessee State head coach Kermit Davis, Jr., helping the Indians to a 27-5 record, a Panhandle Conference Championship, and a State Final Four appearance. His 1994-95 squad entered the season ranked #1 in the preseason national polls with the talented freshman class Keene recruited and finished with a 22-8 record under first-year head coach Bob Stinnett.

After his stint at Chipola, Keene entered the Florida prep ranks, earning a 1996 state title and a 2000 third place District finish. He was selected to coach in the East/West game, leading the West team to victory.

Returning to his roots at Chipola, Keene took the helm as the head coach of the Lady Indians in 2000, taking a team picked to finish last in conference to a 15-15, 4th place finish. His 2001-02 team broke the .500 mark with a 16-14 record and another 4th place finish.

In 2002-03, Keene's Chipola team earned their first top 25 national ranking as they fought through a tough Panhandle Conference to earn a State Tournament berth. Their 20 wins were good enough to earn the Lady Indians the school's first State Final Four appearance.

Keene left Chipola prior to the 2003-04 season to pursue other avenues, but his talented recruits, including the school's first All-American Regginette Maddox, went on to be ranked as high as #8 in the NJCAA polls. The 03-04 team repeated with over 20 victories and made an appearance to the State Quarterfinals.

Laying the groundwork for Chipola to become a major power in JUCO basketball, Keene has made the Lady Indian program a stepping-stone for athletes to major D-I institutions. He has had numerous athletes make the leap to top D-I schools and conferences, including the ACC's Clemson (Maddox), the Big 12's Missouri (Tamika Jackson), and the SEC's Arkansas (Kristina Andjelkovic). Keene also launched the Division I career of fellow incoming Centenary coach Rebecca Montz from Chipola to Jacksonville University.

Keene spent the 2004-05 season as the head boy's basketball coach at Altha High School.

A 1993 graduate of Florida State, Keene holds a B.S. in Physical Education and an A.A. from Chipola JC. He has also completed course work towards a Master's in Educational Leadership at the University of West Florida.

**Rebecca Montz**
***Assistant Coach***

Rebecca Montz enters her first year as an assistant coach at Centenary after a successful playing career at Jacksonville University and Chipola Junior College.

Montz earned back-to-back Academic All-Conference accolades in the Atlantic Sun Conference, posting a team-high 3.5 gpa for the 2004-05 season. She started every game in her two years with the Dolphins, averaging 10.1 ppg, 2.7 apg, and a .329 three-point field goal percentage her junior year, and 10.7 ppg, 2.9 apg, and a .373 three-point percentage as a senior.

Also a member of the JU Track & Field team, Montz threw javelin her junior and senior years. She placed eighth in the Atlantic Sun Conference Championships with a toss of 30.22 meters as a junior, and finished 14th at the A-Sun Championships as a senior.

A two-year starter for fellow Centenary coach Jason Keene at Chipola, Montz twice earned Panhandle All-Conference and All-Academic honors for the Lady Indians. As a sophomore, she averaged 16.0 ppg, 4.0 spg and 3.0 apg and earned a spot on the state all-tournament team as Chipola made a state semi-finals appearance.

Montz was also awarded the prestigious Neal Sportsmanship Award, annually given to only one athlete at Chipola. The award recognizes the student-athlete who most demonstrates leadership, sportsmanship, athletic prowess, and academic achievement.

An Erath, La., native, Montz earned three district MVP and all-state awards at Abbeville High School for coach Laura LeBeauf as a three-year starter, helping to win three district and parish championships. As a senior, she averaged 22.0 points and 4.0 assists and was selected for the Louisiana State All-Star game after leading the squad to the state quarterfinals. As a junior, she averaged 18.0 points and 4.0 assists to the team to the state semifinals and as a sophomore, she averaged 16.0 points and 2.0 steals as Abbeville earned a spot in the state finals.

Montz holds a B.S. in Physical Education from Jacksonville with a focus in Exercise Science.

# Centenary College

As wins and losses can't truly reflect the success of a previous season, they can't predict the outlook for the next one, either. Don't let the Ladies 1-25 record from the 2004-05 campaign fool you, many of those losses were down-to-the-wire finishes by an extremely young team decimated by injuries. Playing with no seniors and, at times, only six available players, Centenary showed the determination and tenacity of a winner in a situation where a majority of programs would have thrown in the towel.

This year, watch the Ladies take the next step as a competitive basketball program. Returning all but one letterwinner, Centenary will put four of their starting five on the court for the 2005-06 season. Expect them to have the lingering bitterness of the previous season to propel them to the levels they know they are capable of playing.

Returning starters for the Ladies are seniors Van'esha Brabson and Laura Kizyte, as well as juniors Jelena Aleksic and Holli Wilkins. All four hold various career and single-season records for Centenary, at should continue to move up the ranks this season.

**2005-06 Ladies Seniors**

Brabson, a senior guard-forward combo, brings a defensive presence to the Ladies along with her athleticism on offense. A solid long-range shooter, she is just as comfortable handling the ball as she is scoring. Currently the fifth leading scorer all-time for the Maroon and White, Brabson will have the opportunity to move into third place with a solid final campaign.

The Ladies also return Laura Kizyte, the Mid-Continent Conference Newcomer of the Year from last season. Kizyte was among the league leaders in scoring, three point shooting, and steals as a junior transfer from Weatherford College. Look for her to start her senior year as strong as her previous one, setting the school record for points in a game (33) since becoming a Division I program in 1999.

In Aleksic, the Ladies return their leading scorer and second leading rebounder from a year ago. Thrust into a starting role after a year as a reserve, she took advantage of the playing time to develop into an aggressive and dangerous offensive threat for the Centenary.

Wilkins is by far the most versatile athlete on the Centenary roster. She can adapt her game to fit any need that the Ladies require of her from game-to-game or throughout the course of the entire season. A conference leader in many categories, including three point shooting, steals, and blocked shots, Wilkins is another scoring threat that can't be ignored by the opposing defense.

Off the bench, the Ladies will have more depth and experience than from a year ago. Senior Lindsay Way is recovered from a knee injury that sidelined her for all but the first game of the season, and provides a much-missed spark from the bench. Joining her is her sister, Laura Way, who came into her own as a solid reserve player last season. Both Way sisters have a soft touch from the outside, but aren't afraid to drive and play inside with the bigger opposition. Also returning is sophomore point guard Brittany Barbee, one of only three Ladies to play in every game last season. Barbee's speed and ball-handling ability will give the Ladies a solid option as the season progresses and wear-and-tear begins to build. Back from a shoulder injury that cost her the second half of 2004-05, sophomore Ricquel Crockrom is back to add size and presence beneath the boards. Her knack of positioning herself on the offensive glass for second-chance points, coupled with her almost automatic stroke from the free throw line, make her a viable threat beneath the boards.

New to the Maroon and White this season are senior Karolina Sokalska and freshmen Julia Bowie and Cierra Bush. Sokalska, a former teammate of Kizyte at Weatherford College, transfers from James Madison University and will be eligible in January. She'll add another athletic forward to strengthen the Ladies for a run in conference play. Bowie is the team's only true center, allowing the Ladies to change the pace of play as need be, while Bush is another combo guard-forward will extreme athleticism.

# Van'esha Brabson

**Senior**
**5-10, Guard/Forward**
**Knoxville, Tennessee**
**(Carter HS)**

**2004-05:** Van'esha started 22 of the 23 games she saw action in, finishing fourth on the team in scoring at 7.3 points per game and third in rebounds with 5.1 a game. Her double-double (17 points, 11 rebounds) in the season opener against LeTourneau helped the Ladies to a 30 point victory, 96-66. She recorded another double-double (14 points, 11 rebounds) at home against Southern Utah in a game where the shorthanded Ladies, with only six active players, fell just short of completing a 24-point second half comeback after taking the lead with just under three minutes to go. Van'esha's season (and career) high in points came against IUPUI with 20, capped off by tying the school record for three's made in a game with six.

**2003-04:** Did not play - Redshirt.

**2002-03:** Finished third on the team in scoring as a sophomore with 8.4 points per game, starting 20 of 28 contests. Van'esha showed up big against national powerhouse Louisiana Tech, notching a double-double (11 points, 10 rebounds) as well as a team-high three assists in the loss. With the help of her defensive skills, the Ladies took home win against Texas-Pan American and Texas College, collecting a pair of steals in each game. Her season-high offensive output came against Arkansas-Little Rock, as she nailed four of five threes en route to 19 points on the night.

**2001-02:** As a freshman, Van'esha finished fourth on the team in scoring at 7.4 points a clip, helping Centenary to a 9-19 record. Playing in all 28 games, she pulled down 4.2 rebounds a game, including a season-high 12 against LeTourneau. Her best offensive game came against Texas-Pan American as she converted 7-of-11 shots from the floor for 16 points.

**Prep:** Earned four letters in basketball while playing for the Carter High School Hornets. She helped her squad to a sub-state appearance while being named All-District and regional MVP. Van'esha set new records at Carter High for scoring and assists.
